

HEALTH AND SAFETY POLICY STATEMENT

Issue Number: 8

General policy statement by the HSL Chief Executive

To staff in HSL:

HSL aims to set and maintain exemplary standards of health and safety performance so as to ensure your health and safety at work as well as that of others who may work at or visit our premises.

To enable us to achieve this aim, HSL has set the following objectives:

- We will observe health and safety law
- We will establish and maintain effective health and safety management arrangements throughout HSL
- We will clearly define health and safety responsibilities and competencies
- We will ensure that the risks to the health and safety of you and others are properly assessed and controlled
- We will ensure that competent advice is available to assist you in meeting your responsibilities
- We will maintain effective arrangements for monitoring our health and safety performance
- We will review our health and safety arrangements regularly to ensure their continued effectiveness and suitability
- We will provide you with, and maintain, a safe working environment, facilities and equipment
- We will report annually to you on our performance and will at all times seek to involve you and engage your commitment
- We expect all our employees, contractors and subcontractors to assist us in achieving exemplary standards of health & safety
