CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

**Health and Safety Laboratory
Health and Safety Executive
Harpur Hill, Buxton, Derbyshire
United Kingdom**

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standard:

ISO 9001:2008

The Quality Management System is applicable to:

Provision of services to assess the level of risk from work activities and investigate ways of controlling them. The establishment of realistic requirements for standard setting and methods for meeting these standards. Provision of scientific and technological advice. Investigation of the cause of accidents. Areas covered are: Fire and explosion, engineering, work environment, occupational health, risk assessment and human behavioural aspects of working places. Provision of Field Scientific Support Services to HSE. The mechanical design and manufacture of test rigs. The provision of video and photographic services.
