*** Quarterly service details:**

Assays are run four times per year. Sample receipt deadline for the quarterly service is the end of January, April, July and October. Turnaround time is 20 working days from the last day of the month.

Other allergen assays:

We have a number of other validated assays for allergens using in-house and third-party reagents that we can offer. These include amylase (from fungal, bacterial & animal sources), wheat flour amylase inhibitor, glucose oxidase (fungal), latex allergens, mite allergens, other animal allergens, total protein etc. Please contact the laboratory to discuss your requirements and obtain a costing.
